Lars,

I don't believe he was given taxi fare or cell phone card, as he was released into the hands of [REDACTED] being a minor.

You might use the text of my message:

"He was released on [REDACTED] 2007 and allowed to proceed from KAF in the company of [REDACTED]  
[REDACTED]

Hi Ed,

As John is not here, I'm trying to figure out how to complete the detainee release notification form. Could you please advise me whether the language in the paragraph below is standard text.

**One individual was detained on [REDACTED] 2007 in the area of [REDACTED]. He was released on [REDACTED] 2007 and allowed to proceed from Kandahar Airfield in a taxi, for which he was provided 5000 Afghani. He was also provided with an AWCC cell phone card worth 1000.**

Your e-mail makes no mention whether he received Afghanis for a cab ride or a cell phone card.

I will wait for your answer before proceeding with the notification.

Lukas
